Presentation and discussion of the City of Leon Valley Economic Development Corporation (LVEDC) Proposed Fiscal Year 2015-2016 Budget. M&C #2015-09-08-02 (C. Mora and Stephen Ynostrosa, LVEDC Board President)
Leon Valley Economic Development Corporation (LVEDC) Board President, Stephen Ynostrosa presented the LVEDC Proposed Fiscal Year 2015-2016 Budget. The LVEDC Fiscal Year 2015-2016 Budget was developed by using the 2014 actual sales tax revenue generated by the 1/8 of one-cent designated sales tax, and estimating a 3.9% sales tax increase for 2015-2016. The Board added an additional $17,188.00 citing current grant obligations and professional contractual obligations. The total proposed LVEDC Fiscal Year 2015-2016 Budget is $304,816.00. Funding for the LVEDC budget will come from sales tax revenue generated during the year and the LVEDC fund balance.

The following items were requested of the LVEDC: A) Council Member David Jordan asked that every penny the LVEDC has access to be provided to City Council in all future reports; and for all LVEDC accomplishments in the current fiscal year (Mayor Riley added … “for all years”). B) Mayor Riley asked for a break out of attorney fees from the last couple of years. Finance Director Vickie Wallace presented the item first by saying that last year the City of Leon Valley Property Tax Rate was $0.575507. This year the City of Leon Valley is proposing a Property Tax Rate of $0.561615 which is $0.013892 lower than last year’s tax rate. The Property Tax Code, Chapter 26 requires a governing body to conduct two public hearings if the proposed tax rate exceeds the lower of the rollback tax rate or the effective tax rate, whichever is lower. The 2015 proposed Tax Rate of $0.561615 exceeds the Effective Tax Rate of $0.526647 by 6.641451%. The 2015 Tax Rate is for the calendar year 2015 and is based on property values as of January 1, 2015. It funds the General Fund and Debt Service Fund budgets for FY 2016.

Mayor Riley opened the public hearing at 8:22 p.m.

- Olen Yarnell, 7230 Sulky, voiced his concerns with the “over 65 freeze” and how it may affect the City later.

PURPOSE
Approval of the Quarterly Investment Report for the quarter ended September 30, 2015.

SEE LEON VALLEY

Social - To ensure compliance with the Public Funds Investment Act of 1987. The Public Funds Investment Act of 1987 (PFIA) established rules and regulations for governmental entities to follow for the proper investment of public monies. The City’s investment program is conducted to accomplish the following objectives, listed in priority order.

A. Safety
The primary objective of the City’s investment program is the preservation and safety of principal in the overall portfolio. Each investment transaction shall seek first to ensure that capital losses are avoided, whether they are from security defaults or erosion of market value.

B. Liquidity
The City’s investment portfolio will remain sufficiently liquid to enable the City to meet operating requirements that might be reasonably anticipated. Liquidity shall be achieved by matching investment maturities with forecasted cash flow requirements; thereby avoiding the need to liquidate investments under adverse market condition. It is the intent of the City to invest its funds to maturity.

C. Diversification
The investment portfolio will be designed to limit risk by avoiding the concentration of assets with a specific maturity, with a specific issuer, or in a specific class of securities.
D. Yield
A fundamental rule of investing is that risk equals return. The City has deliberately established a low risk threshold to protect its financial resources and ensure that cash is available when needed. The City will invest idle cash at the highest possible rate of return, consistent with the objectives and provisions of this policy, and in compliance with state and federal laws governing the investment of public funds.

Honorable Mayor Riley and City Council Members:

The Quarterly Investment Report for the City of Leon Valley, Texas for the quarter ended September 30, 2015 is hereby submitted.

The current depository bank for the City is Frost National Bank. Only enough funds to meet current obligations are being maintained at this bank. All excess funds are invested as allowed by the City’s Investment Policy.

For the quarter, TexPool’s average monthly rate ranged between .0827% and .0606%, compared to the quarter ended June 30, 2015 yield of between .0575% and .0524%. In comparison, interest rates for 13-week U.S. Treasury Bills ranged between .042972% and .003792% for the quarter.

A cash flow analysis is made to determine the cash liquidity needs of the City. The City must have ready access to liquid cash to provide for day-to-day business needs, accounts payable, payroll, and capital projects. Short-term dollars are maintained in checking accounts, investment pools, or certificate of deposits. As of September 30, 2015 the City had $6,705,415.69 in its investment portfolio.

Bank accounts are insured by a combination of FDIC insurance and pledged securities maintained at the Federal Reserve Bank. U.S. Treasuries and Agencies are guaranteed as to principal and interest by the full faith and credit of the United States of America. TexPool’s Liquid Asset Portfolio seeks to maintain a net asset value of $1.00 per unit invested to preserve the principal of all pool participants.

This report is in full compliance with the investment strategies as established by the City of Leon Valley Investment Policy and the Public Funds Investment Act.

MAYOR AND COUNCIL COMMUNICATION

DATE: October 20, 2015

TO: Mayor and Council

FROM: Vickie Wallace, Finance Director

THROUGH: Kelly Kuenstler, City Manager

SUBJECT: Approval of Annual Investment Report for the fiscal year ended September 30, 2015

PURPOSE

Approval of the Annual Investment Report for the fiscal year ended September 30, 2015.

SEE LEON VALLEY

Social - To ensure compliance with the Public Funds Investment Act of 1987. The Public Funds Investment Act of 1987 (PFIA) established rules and regulations for governmental entities to follow for the proper investment of public monies. The City's investment program is conducted to accomplish the following objectives, listed in priority order.

A. Safety

The primary objective of the City's investment program is the preservation and safety of principal in the overall portfolio. Each investment transaction shall seek first to ensure that capital losses are avoided, whether they are from security defaults or erosion of market value.

B. Liquidity

The City's investment portfolio will remain sufficiently liquid to enable the City to meet operating requirements that might be reasonably anticipated. Liquidity shall be achieved by matching investment maturities with forecasted cash flow requirements; thereby avoiding the need to liquidate investments under adverse market condition. It is the intent of the City to invest its funds to maturity.

C. Diversification

The investment portfolio will be designed to limit risk by avoiding the concentration of assets with a specific maturity, with a specific issuer, or in a specific class of securities.
D. Yield
A fundamental rule of investing is that risk equals return. The City has deliberately established a low risk threshold to protect its financial resources and ensure that cash is available when needed. The City will invest idle cash at the highest possible rate of return, consistent with the objectives and provisions of this policy, and in compliance with state and federal laws governing the investment of public funds.

FROM: Sandy Underwood, Library Director

SUBJECT: Approval of Unattended Child Policy for Library as recommended by Board of Trustees of the LVPL

PURPOSE

The Leon Valley Public Library welcomes and encourages children of all ages to utilize the Library to develop a life-long love of learning and reading. The safety and well-being of each child is of utmost importance. The responsibility for the safety and behavior of children in the Library rests with the parent/caregiver and not with the Library personnel.

STRATEGIC GOALS

The policy directly relates to the Strategic Plan Goal #2 of Safety and Security. As a library, we want to provide our services to the community in a safe atmosphere. Establishing guidelines for the presence of children in the library will aid in keeping Leon Valley safe.

The policy also relates to Strategic Plan Goal #6 of Citizen Involvement. Children are citizens and as a Library, we wish to involve them in literacy and programming of all types from a young age. Doing so in a safe manner is of utmost importance.
The policy also relates to Strategic Plan Goal #7, “promoting recreational/cultural activities to enhance the quality of life and wellness of the community.” The library continually provides programs for the community, children in particular. These programs range from pure entertainment value, to literacy, cultural, educational and historical. Again, bringing children into a location, must be done in a safe manner for the child.

RECOMMENDATION

The LVPL Trustee Board recommends that the Council approve the Unattended Child Policy so the Library has parameters to act upon in the event of an unattended child in the library, in attempting to keep the child safe.

Unattended Child Policy

The Leon Valley Public Library welcomes and encourages children of all ages to utilize the Library to develop a life-long love of learning and reading. However, the safety and well-being of each child is of utmost importance. The responsibility for the safety and behavior of children in the Library rests with the parent/caregiver and not with the Library personnel.

The following guidelines will be followed concerning the care and behavior of children:

- Children under the age of 8 must have a parent/caregiver/sibling in the immediate vicinity of (and in visual contact with) the child. The parent/caregiver/sibling must be at least 14 years old and must carry personal identification. A child attending a program that does not require adult attendance may do so as long as the parent/caregiver/sibling remains in the Library and immediately joins the child at the end of the program.

- All children should have the telephone number of someone who can assist them in an emergency.

- If a child is found to be unattended, Library staff will attempt to locate the parent/caregiver in the Library and inform him/her of the Unattended Child Policy. If the parent/caregiver cannot be located, Library staff will contact the Leon Valley Police Department to assist the child.

- Children ages 8 to 9 must have a parent/caregiver in the Library. Children who exhibit inappropriate behavior may be asked to leave the Library. If a child aged 8 to 9 is not able to leave the Library with an adult or caregiver, a parent will be contacted to pick the child up or, if a parent is unavailable, then the Leon Valley Police Department will be called to assist the child.

- Children ages 10 and up may use the Library unattended, as long as they carry current emergency contact information. However, the parent/caregiver is still responsible for the behavior and the wellbeing of the child.

- If a child is not picked up at closing time, the Library staff will contact the Leon Valley Police to assist the child.

- Homeschoolers, please see Curfew Ordinance below.

Curfew Ordinance and Home Schoolers:

In order to use the library alone during school hours, those who are ages 9 to 17 and are home schooled will be required to have a letter from their parent/guardian authorizing them to be in the library.

SUBJECT: Discussion and Possible Action on Request by American Legion to Place Signage on City Entrance Sign Posts.

PURPOSE
To consider allowing the American Legion to place their signs on Leon Valley city limit sign posts along Wurzbach, Evers, Grissom, and Timberhill roads.

BACKGROUND
Mr. Walter Geraghty, Commander of American Legion Post #336, is requesting that his organization be allowed to place “American Legion” signage on the City’s entrance sign posts at various locations in the City. The signs would be positioned under existing city limit signs at entrances to the City on Wurzbach, Evers, Grissom, and Timberhill roads. The signs would be posted in advance of his upcoming event, to be held at Raymond Rimkus Park.

FISCAL IMPACT
Limited out of pocket costs:

- Signs were purchased by American Legion
- Would need to purchase brackets and bolts
- Labor for Public Works employees approximately 4 hours is $154.08

RECOMMENDATION
None; however, please keep in mind that other civic organizations could ask that their signs also be placed on the city limit signs, and there is not enough room on these posts for more than two additional signs.

S.E.E. IMPACT STATEMENT
Social Equity – Other civic organizations may ask for the same privileges.

Economic Development – Advertising civic organizations could be beneficial in attracting residents and businesses.

I. PURPOSE
A. Introduction

This investment policy documents policies and procedures to be followed by the City of Leon Valley, Texas (City), to ensure the proper investment of public funds. This policy will be reviewed by the City Council annually. At such time, the City Council will adopt by ordinance a policy that (1) states that the investment policy has been reviewed and (2) enumerates the changes to be made to the policy.

B. Statutory Authority

This policy serves to satisfy the statutory requirements of defining and adopting a formal investment policy in accordance with the Public Funds Investment Act, Article 342a-2 V.T.C.S.

C. Scope

This investment policy applies to all financial assets of the City, held in all funds.

II. OBJECTIVES

The City’s investment program will be conducted to accomplish the following objectives, listed in priority order:

A. Safety

The primary objective of the City’s investment program is the preservation and safety of principal in the overall portfolio. Each investment transaction shall seek first to ensure that capital losses are avoided, whether they are from security defaults or erosion of market value.

B. Liquidity

The City’s investment portfolio will remain sufficiently liquid to enable the City to meet operating requirements that might be reasonably anticipated. Liquidity shall be achieved by matching investment maturities with forecasted cash flow requirements; thereby avoiding the need to liquidate investments under adverse market condition. It is the intent of the City to invest its funds to maturity.

C. Diversification

The investment portfolio will be designed to limit risk by avoiding the concentration of assets with a specific maturity, with a specific issuer, or in a specific class of securities.

D. Yield

A fundamental rule of investing is that risk equals return. The City has deliberately established a low risk threshold to protect its financial resources and ensure that cash is available when needed. The City will invest idle cash at the highest possible rate of return, consistent with the objectives and provisions of this policy, and in compliance
with state and federal laws governing the investment of public funds.

III. STANDARDS OF CARE

A. Prudence

The standard of care used by the City shall be the "prudent person" standard which shall be applied in the context of managing the overall portfolio within the applicable legal constraints. The Public Funds Investment Act states:

"Investments shall be made with judgment and care, under circumstances then prevailing, that persons of prudence, discretion, and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the probable safety of their capital as well as the probable income to be derived."

All participants in the investment process shall seek to act responsibly as custodians of the public trust. Investment Officers shall avoid any transactions that might impair public confidence in the City's ability to govern effectively. The City Council recognizes that in maintaining a diversified portfolio, occasional measured losses due to market volatility are inevitable, and must be considered within the context of the overall portfolio's investment return, provided that adequate diversification has been implemented.

B. Ethics and Conflicts of Interest

Investment officers and employees involved in the investment process shall refrain from personal business activity that could conflict with the proper execution of the investment program, or that which could impair their ability to make impartial investment decisions. Investment Officers and subordinate employees shall disclose any material interests in financial institutions or broker/dealer firms with which they conduct business. They shall further disclose any personal investment positions that could be related to the performance of the investment portfolio. Investment Officers and subordinate employees shall refrain from undertaking personal investment transactions with the same individual(s) with whom business is conducted on behalf of the City.

C. Delegation of Authority

Management responsibility for the investment program is delegated to the City Manager and the Finance Director. As Investment Officers for the City, the City Manager and Finance Director are responsible for the day-to-day administration of the investment program and shall supervise the activities of subordinate employees. No person may engage in investment transactions except as provided under the terms of this policy.

D. Training

Investment Officers shall attend at least one training session related to their duties as Investment Officers within 12 months of assuming office or duties; a training session not less than once in a two-year period that begins on the first day of the City of Leon Valley’s fiscal year and consists of the two consecutive years after that date; each
training session shall contain not less than 10 hours of training. This training must include education in investment controls, security risks, strategy risks, market risks and compliance with the Public Funds Investment Act.

The training provider must be an independent provider approved by City Council. The City Council hereby authorizes the following entities to serve as qualified training providers for the City:

1. The Texas Municipal League, or any of its affiliate organizations;
2. The Government Treasurers Organization of Texas;
3. The Government Finance Officers Association;
4. The State of Texas, Comptroller's Office, or any other department/division of the State of Texas;
5. The University of Texas at Austin, or any other public University or College of higher education in Texas;
6. Investment pool administrators to include LOGIC, Texpool and Lone Star Investment Pool; and
7. Other training providers as approved by the City Council.

E. Indemnity

Investment Officers and subordinate employees, acting in accordance with the provisions of this investment policy, shall not be held personally liable for a specific security's credit risk or market price change, provided that any unexpected deviations are reported in a timely manner and that appropriate action is taken to control adverse developments.

IV. AUTHORIZED AND SUITABLE INVESTMENTS

3. Collateralized mortgage obligations that have a stated final maturity date of greater than ten years; and

4. Collateralized mortgage obligations whereby the interest rate is determined by an index that adjusts opposite to the changes in a market index.

C. Length of Investments

The City intends to match the holding period of investment funds with liquidity needs of the City. In no case will the average maturity of investments of the City’s operating funds exceed one year. The maximum final stated maturity of any investment shall not exceed five years.

The Investment Officer will monitor rating changes in Investment acquired with public funds that require a minimum rating and shall take all prudent measures that are consistent with its investment policy to liquidate an investment that does not have the minimum rating thereby making that investment an unauthorized investment.

D. Measuring Market Value

The City’s investment portfolio will be designed with the objective of using the 13-week U.S. Treasury Bill as a basis to determine whether market yields are being achieved.

V. SELECTION OF BANKS AND DEALERS

The City will only purchase investments from financial institutions and broker/dealer firms as approved by the City Council. All institutions and brokers/dealers are required to supply a Certification Form signed by a qualified representative of the firm stating that the City’s investment policy has been reviewed and that reasonable procedures and controls are in place to preclude unauthorized investment transactions (Appendix A). Transactions are unauthorized unless this certification is on file with the City.

**VI. SAFEKEEPING AND CUSTODY**

**A. Insurance or Collateral**

All deposits and investments of City funds other than direct purchases of U.S. Treasuries or U.S. Agencies shall be (1) guaranteed or insured by the FDIC or (2) be fully collateralized as required by the Texas Public Funds Collateral Act. Pledged collateral must maintain a market value equal to at least 102 percent of total deposits and investments, less an amount insured by the FDIC. Repurchase agreements shall be documented by a specific agreement noting the collateral pledged in each agreement.

Securities pledged as collateral must be held by an independent third party in the State of Texas. Evidence of pledged collateral shall be provided to the City and reviewed monthly to ensure the market value of the securities pledged equals or exceeds the value of total deposits and investments.

All collateral shall be subject to inspection and audit by the City.

D. Delivery vs. Payment

With the exception of investment pools and mutual funds, all investment transactions will be executed using the delivery versus payment method. That is, City funds shall not be released until verification has been made that the purchased security or collateral has been received by a third party/safekeeping agent (Trustee). The security or collateral shall be held in the name of or held on behalf of the City. The Trustee's records shall evidence the City's ownership of or explicit claim on the securities. The original copy of all safekeeping receipts shall be delivered to the City.

VII. REPORTING REQUIREMENTS

A. Quarterly Reports

Not less than quarterly, the Investment Officers shall prepare and submit to the City Council, an investment report that describes in detail the investment position of the City as of the date of the report. These reports will be prepared to allow the City Council to ascertain whether investment activities have conformed to the City's investment policy.

Quarterly investment reports will summarize recent market conditions, economic developments and anticipated investment conditions. Reports must be signed and dated by both the City Manager and the Finance Director and must contain the following statement: "This report is in full compliance with the investment strategies as established by the City of Leon Valley Investment Policy and the Public Funds Investment Act."

At a minimum, quarterly reports submitted to the City Council will include the following:

1. A summary statement of investment activity for each pooled fund group prepared in compliance with Generally Accepted Accounting Principles to include fully accrued interest for the reporting period. The summary shall also state the:
   a. Beginning market value for the reporting period.
   b. Additions and changes to the market value during the period.
   c. Ending market value for the period.
2. State the book value and market value of each separately invested asset at the beginning and end of the reporting period by fund type.

3. State the maturity date of each separately invested asset that has a maturity date.

B. Annual Report

Within sixty (60) days of the end of the fiscal year, the Investment Officers shall prepare an annual report on the investment program and investment activity. This annual report will be presented to the City Council and will include investment activities for the entire fiscal year and shall suggest policy revisions and improvements that might enhance the investment program. At such time, the City Council shall pass an ordinance to document its review of the City's investment policies and strategies. This ordinance shall also document whether changes or revisions to investment policies and/or strategies are required.

VIII. INTERNAL CONTROLS AND ANNUAL REVIEW

A. Internal Controls

The City strives to effectively prevent the loss of public funds caused by fraud, misrepresentation by third parties, unanticipated changes in financial markets, employee error or imprudent actions by City employees. Internal controls have been designed to provide reasonable assurance that these objectives are met. The concept of reasonable assurance recognizes that (1) the cost of a control should not exceed the benefits likely to be derived; and (2) the valuation of costs and benefits requires estimates and judgments by management. The following guidelines establish a system of internal controls over investment procedures for the City of Leon Valley.

1. Separation of Duties. A separation of custodial, accounting and record keeping systems shall be maintained to the extent possible.

2. Clear Delegation of Authority. The City Manager and City Accountant are charged with management responsibility for the investment program.

3. Adequate Training and Development of Investment Officials. All Investment Officials are to be educated in the area of investment management in order to make informed decisions.

4. Control of Collusion. All investment transactions must be approved by two duly authorized Investment Officers or subordinate employees. Subordinate employees are designated by the City Manager.

5. Documentation of Investments. Purchase and sales transactions, including
telephone transactions, must be documented in writing and evidenced by the signatures of two duly authorized Investment Officers or subordinate employees. A copy of such documentation shall be placed in an investment transaction file to be maintained in the City's Finance department.

6. **Verification of all Interest Income and Security Purchase and Sell Computations.** All investment interest income, fees, gains and/or losses shall be recalculated monthly by the Finance department.

7. **Reconciliation of Security Receipts with Subsidiary Records.** All security safekeeping receipts shall be reconciled to the general ledger monthly by the Finance department.

8. **Custodial Safekeeping.** Securities purchased from any bank or dealer including appropriate collateral shall be placed with an independent third party for custodial safekeeping.

9. **Avoidance of Bearer-Form Securities.** Negotiable securities are more susceptible to misappropriation than book entry only securities and must be properly safeguarded against loss, destruction or fraud.

**B. Annual Review**

The City shall engage an external independent auditor to conduct an annual review of the City's investment policies, investment procedures, and quarterly and annual investment reports to ensure compliance with the Public Funds Investment Act. This audit is to be performed by a Certified Public Accountant in conjunction with the City's annual financial audit and shall be reported to the City Council during the same meeting at which the City's Comprehensive Annual Financial Report is presented.

The Public Funds Investment Act states that if the City's investment portfolio is limited to money market mutual funds, investment pools, or depository bank investments such as certificates of deposit or money market accounts, the City is not subject to this formal annual review.

MAYOR AND COUNCIL COMMUNICATION

DATE: October 20, 2015
TO: Mayor and City Council
FROM: Luis Valdez, Fire Chief
THROUGH: Kelly Kuenstler, City Manager
SUBJECT: Presentation and Update of the Designation of the Huebner Creek Watershed to Mandatory Detention.

PURPOSE

This agenda item is intended to provide an update to the City of Leon Valley’s petition to the City of San Antonio to extend the designated Mandatory Detention area to include the entire Huebner Creek Watershed upstream of the City of Leon Valley.

Designation of Mandatory Detention works to lessen the impact of storm water runoff from future development or re-development by eliminating the option previously offered to Developers that allowed them to pay a fee into a regional flood control fund in lieu of providing onsite detention.

The designation as mandatory detention also officially designates and recognizes that the City of Leon Valley is an area prone to flooding, in accordance with the City of San Antonio’s Unified Development Code.

August 25, 2015

The meeting of the Leon Valley Zoning Commission convened at 6:32 p.m. on Tuesday, August 25, 2015, in the Training Room at the Leon Valley Fire Department at 6300 El Verde Road, Leon Valley, Texas.

I. Poll for Attendance, Determination of a Quorum, Call Meeting to Order

Present were Chairman Olen Yarnell, 1st Vice Chair Phyllis McMillan, 2nd Vice Chair Hal Burnside, Members Pedro Esquivel, Tony Westrich, Larry Proffitt, Alex Jenicek. Alternates Greg Price, Henry Diecker, and Richard Blackmore were in attendance and there were no absences. Also present was Elizabeth Carol, Director of Community Development Department, acting as recording secretary.

II. Approval of the June 23, 2015 and July 14, 2015 Zoning Commission Minutes

Commissioner Tony Westrich made a motion to approve both sets of minutes as written, and the motion was seconded by 2nd Vice Chair Hal Burnside. The motion passed unanimously.

III. Specific Use Permit #2015-893 - A request by Fertitta Reality Inc., applicant to construct and operate a “coffee shop”, in a B-2 (Retail) zoning district, being Lot 5, Block 1, CB 4446B, Bandera Heights Subdivision located at 7050 Bandera Road.

Chairman Olen Yarnell opened the discussion and staff presented the case details noting that this was a request by the property owner to rezone approximately .56 acres of land to Specific Use Permit to allow for the development of a coffee shop and is needed to accommodate the construction of a restaurant that is not completely enclosed. Staff also noted that the plan conformed to the Leon Valley Code of Ordinances and that six letters were mailed to property owners within 200-feet and as of that evening there were no written input submitted on behalf of this project. Staff concluded the presentation and remained available for questions.

Chairman Olen Yarnell opened the public hearing at 6:48 and being that there were no speakers the Chairman subsequently closed the public hearing.

The Chairman then opened the floor for Commissioner discussion and 1st Vice Chair McMillian had questions about parking and stacking issues within the drive through lane. Jon Spenser, with Sterling Design Associates, LLC spoke on behalf of the project, and indicated that the proposed coffee shop exceeded the parking and stacking standards within Leon Valley. The Commissioners also explored the need for additional handicapped parking and for the
installation of sidewalks along Bandera Road. Mr. Spenser indicated that the extra handicapped parking space could be provided.

Commissioner Westrich, provided a copy of a letter (attachment) that he prepared outlining several concerns with the proposed development, and he went on to note that his concerns were addressed in staff presentation. He indicated that he now is supportive of the project, but regretfully he has another commitment and left the meeting at 7:10.

The discussion moved onto the need for sidewalks and Commissioner Alex Jenicek recommended that the need for sidewalks be considered separately, given the role of TXDOT. Commissioner Pedro Esquivel expressed concerns about setting a precedent, which was also supported by 1st Vice Chair Phyllis McMillan, who went on to note that sidewalks are included in the Master Plan.

The discussion evolved into the need for an improved Primo Bus Stop on Bandera Road, near this site. The Chairman inquired as a business owner, if Starbucks would be willing to assist the City in communicating their support to VIA in the hopes of expediting the installation of an improved Primo bus stop. Mr. Spenser indicated that Starbucks could lend their support of the proposal.

1st Vice Chair Phyllis McMillian then made a motion recommending approval of the SUP with the recommendation of the extra handicapped parking space. She went on to note that the proposed request for SUP Zoning is consistent and compatible with the surrounding area and the Leon Valley Master Plan, and that the proposed development protects property owners of all real property affected by the zoning request. The motion was seconded by 2nd Vice Chair Hal Burnside, and passed via a unanimous vote 7-0.

IN FAVOR OF THE MOTION:
Chairman Olen Yarnell
1st Vice Chair Phyllis McMillan
2nd Vice Chair Hal Burnside
Commissioner Pedro Esquivel
Commissioner Larry Proffitt
Commissioner Alex Jenicek
Commissioner Greg Price

Chairman Olen Yarnell recommended a five minute break at 7:30 and the meeting reconvened at 7:38.

IV. Update and Discussion of the Master Plan Amendments

City Staff presented an updated to of the Master Plan Amendment process and noted that the updates were behind schedule, and staff anticipated that they would still be able to conform to the overall timeline.

Staff provided the Commission with the recommended updates to the Neighborhood Component and the changes were tracked. The Commission opted to review the substantive changes updates to the Neighborhood component of the Master Plan and a consensus was
reached to accept the changes with the exception of two items, which would be brought back to the Zoning Commission with additional clarification. The first item was Forest Oak Area and the proposed “Action Plan” to annex the adjacent cemetery and Community Center property. The second item was to assess the actual need for a turn lane to be added to Huebner Road. Staff was instructed to research both of these items and bring them back to the Zoning Commission for further discussion.

V. Consideration and discussion of meeting time.

The Zoning Commission discussed changing the starting time of the meetings, and after some discussion Chairman Yarnell recommended that the new time be through the remainder of 2015. Commissioner Pedro Esquivel made a motion for the meetings to start at 7:00 P.M. and; the motion was seconded by 2nd Vice Chair Hal Burnside and was approved with a unanimous vote.

VI. Executive Session in Accordance with the Texas Government Code.

There was neither item, nor action necessary for this session.

VII. Adjourn

The Commission also requested that staff provide contact information on behalf of each Commissioner and email Commissioners the links to Attorney Generals web page regarding mandatory Open meeting and Public Information training.

Comments and Concerns from Commissioner Westrich

Adding a coffee shop to this location will be a valuable addition to this subdivision. It is consistent with the general master plan and will be a welcome asset to the area.

Note: The advance package only shows the existing use of the property. A site plan would be needed to show traffic and pedestrian flows, in order to give full approval.

Concerns:

1. This location has good access to Bandera Road, but a concern not to impede the north bound traffic access for Raising Canes.
2. Coffee shop drive thru should exit either on their south or east building side.
3. The removal of the light pole located on the south east corner of the existing building must be replaced with comparable lighting scheme.
4. Suggest the setback of the building be equal to Raising Canes and not as close to Bandera Road as Whataburger.
5. The design statement from Sterling Design Associates, LLC states the coffee show would be 1920 sf. How does this compare to the square feet of Whataburger and Raising Canes?

Finally, I support the staff comments listed on the case worksheet and support the re-zoning proposal. The only business with a major position in this matter is Raising Canes. I spoke to the assistant manager and suggested he contact his management. I recommended that a member of their staff be present at the zoning meeting if they have any concerns.
