Minutes of the March 2, 2009 were approved as presented.

DISCUSSION:

- TCEO Update: We have not received the permit approval yet, but the technical staff reviewer indicated that it has been approved. Advised the committee that staff had to resubmit the notice of availability.
- The committee reviewed the annual report that was submitted last November and was advised that the City will prepare the annual report each year between Aug 13 and Sept 13.
- Advised that SAWS has been contacted regarding billing their customers for storm water on our behalf. They are willing to do this and have set a proposed inter-local agreement to cover this service.
- The following activities have been accomplished this year:
- De-silt Seneca Drain, Huebner Creek below Bandera Road, and Zarzamora Creek between Bandera Road and 410.
- Two City wide street-sweeping, participated in the Basura Bash cleanup of Zarzamora Creek and had a booth at Earthwise Living Day.
- Information has been given to the City Finance Director for the Storm Water element of the 2010 City Budget.
- Bob is about finished with the data base that will be used for billing. The goal is to have this ready by the end of June 2009.

Next meeting to be held August 31, 2009 at 7:00 p.m., Leon Valley City Hall, Conference Room.

MEETING ADJOURNED AT 8:00 PM.
