### **REGULAR AGENDA**

**Consider, discuss and possible action authorizing the City Manager to enter into a lease agreement for the Kinman House. M&C #2016-11-01-05 (K. Kuenstler)**

Kelly Kuenstler, City Manager presented this item in order for Council to consider authorizing the City Manager to enter into a Lease Agreement and a 380 Agreement with the Leon Valley Café Company for the use of the Kinman House as a Restaurant.

The Kinman House property was purchased in 1998 and the home was renovated in 2007 to house the Economic Development Department. The Economic Development Department moved out of the house in November of 2015. Since that time, it has been used for City Council coffees, temporary offices, and as an event dressing area. The bakery "El Sol" considered using the facility for restaurant activities, but they were unable to secure financing. The building is currently vacant but has been remodeled through the use of both City and LVEDC funds. The building was in dire need of attention as it was deteriorating and animals were residing in the building. The Leon Valley Café Company expressed an interest in leasing the Kinman House for use as a restaurant and entering into a 380 agreement with the City of Leon Valley. Patrons would come from their existing customer base, catering for the renters of the Community and Conference Center, Park rentals, and the general public. The conversion of the home has been accomplished through the use of a few contractors and in-house Public Works labor. Outside services were sought for foundation repair, the fire alarm system, electrical, gas relocation, and equipment purchases. In-house labor was used for the construction and the installation of equipment. Community Service Workers were used for the clean-up of the facility. If the Leon Valley Café Company is not successful at this location and moves out, the building could be rented to another restaurant.

The presentation was followed by a discussion.

A motion was made by Council Member Monica Alcocer and seconded by Council Member David Edwards, to authorize the City Manager to enter into a lease agreement for the Kinman House as amended. Upon a unanimous vote, Mayor Riley announced the motion carried.

**Consider, discuss and possible action to approve a budget adjustment in the amount of \$40,836.00 to complete the remodel of the Kinman House located at 6417 Evers Road. M&C #2016-11-01-04 (M. Moritz)**

Melinda Moritz, Public Works Director presented this item. In September of 2015, City Council approved the annual budget, which included \$13,000 to install a fire alarm system and repair the foundation at the Kinman House. In February of 2016, the City Council authorized a budget adjustment in the amount of \$20,000 to start the remodel of the Kinman House. In August of 2016, the City Council authorized a budget adjustment in the amount of \$86,685.00. The \$86,685.00 was given to the City by the Leon Valley Economic Development Corporation to be used specifically for the renovation of the structure. The remodel is to accommodate a restaurant (1st tenant is the Leon Valley Café). Staff was directed to use all funds in FY 2016, if possible. The structural, electrical, plumbing, and commercial kitchen equipment components are almost complete, but the required venthood and ansul fire suppression systems were not purchased due to a contractor nonperformance issue. In addition, the plumber failed to turn in his invoice during the previous fiscal year and we are still in the process of purchasing a dishwasher. The funds that were available in FY 2016 have now been placed back into the General Fund Reserve. A budget adjustment is necessary to move the funds back to Public Works in order to finish the project.

As stated, the remaining items include a venthood, fire suppression system, dishwashing equipment, and payment to the plumber.

A motion was made by Council Member Monica Alcocer and seconded by Council Member Benny Martinez, to approve a budget adjustment in the amount of \$45,655.00 to complete the remodel of the Kinman House located at 6417 Evers Road. Upon a unanimous vote, Mayor Riley announced the motion carried.

**Consider, discuss and possible action on the cancellation of the January 03, 2017, Regular City Council meeting. (Mayor Riley)**

A motion was made by Council Member Monica Alcocer and seconded by Council Member David Jordan, to cancel the January 03, 2017 Regular City Council Meeting. Upon a unanimous vote, Mayor Riley announced the motion carried.

**Consider, discuss and possible action on items for consideration at the January 2017 Town Hall Meeting. M&C #2016-11-01-06 (K. Kuenstler)**

Kelly Kuenstler, City Manager presented this item to review a draft agenda and approve a final agenda for the 2017 Leon Valley Town Hall Meeting currently scheduled for January 28, 2017. Items contained in the draft agenda have been collected throughout the 2016 calendar year as mentioned during city council meetings or other public meetings. The cost will be \$450 for Dr. Francine S. Romero to moderate the event. There could be future fiscal impacts as well depending on what the citizenry decide on at the annual meeting.

The presentation was followed by a discussion with suggestions. The final draft agenda will be brought back in December for City Council review and approval.
