

20th ANNUAL BASURA BASH

Annual San Antonio River and
Waterways Clean Up

Basura Bash is the largest single-day waterway clean-up in Texas and over the past 19 years has continued to grow in number of volunteers and waterways cleaned.

This year volunteers will clean the banks of the San Antonio area waterways at various parks and creek tributaries listed. Basura Bash has been a success because of hard working, fun-loving, dedicated volunteers. So get registered and join us! And remember what Basura Bob says, "Think Green and Keep it Clean!"

Saturday, February 22, 2014
