## Bond Election Called for Public Safety & Support Facility

The City Council at a Special Called City Council Meeting held on Monday, February 27, 2012, called a Special Bond Election to be held on the next uniform election date of May 12, 2012, to allow the qualified voters of the City of Leon Valley to consider the following proposition:

“Shall the City Council of the City of Leon Valley, Texas be authorized to issue and sell one or more series of general obligation bonds of the City in the aggregate principal amount of not more than \$7,000,000 for the purpose of making permanent public improvements or other public purposes, to wit: designing, acquiring, constructing, improving, renovating, demolishing, expanding, and equipping a Public Safety and Support Services Complex to house police, fire, municipal court, and City administration service departments, and expenses incidental and necessary to the foregoing (including necessary utility relocation, acquisition of easements, rights-of-way, and other real property interests, landscaping, and streetscape modification and improvements), such bonds to mature serially or otherwise in accordance with law; and any issue or series of said bonds to bear interest at such rate or rates (fixed, floating, variable or otherwise) as may be determined within the discretion of the City Council, provided that such rate of interest shall not exceed the maximum rate per annum authorized by law at the time of the issuance of any issue or series of said bonds; and shall the City Council of the City be authorized to levy and pledge, and cause to be assessed and collected, annual ad valorem taxes, within the limitations prescribed by law, on all taxable property in said City sufficient to pay the annual interest and provide a sinking fund to pay the bonds at maturity and the cost of any credit agreements executed in connection with the bonds?”

Leon Valley residents may expect to see an voter informational flyer soon.

## Bond Election Initiative History

The City Council appointed an ad-hoc committee, the Capital Facilities Committee, in June of 2011. The Committee is composed of community volunteers Olen Yarnell (committee chair), Mike Davis Jr., Pedro Esquivel and Al Uvietta, LV Fire Chief, Stan Irwin, LV Police Chief, Randall Wallace, LV City Manager, Manny Longoria, Mayor Pro Tem Jack Dean and Council Member Kathy Hill.

The Committee was tasked with assessing the City's capital facility needs for the City of Leon Valley based on feedback from the City Council's January 2011 Town Hall Meeting. Following a series of meetings by the Capital Facilities Committee, at the rate of approximately two meetings per month, and trips to tour local public safety facilities, the Committee working with Alamo Architects, issued the Capital Facilities Needs Assessment Report on the Proposed Public Safety & Support Service Facility.

The City Council initially previewed the Assessment Report and Proposed Municipal Facilities recommendations at its Town Hall Meeting on January 28, 2012. The City Council then conducted a series of three public workshops to receive citizen input on the Capital Facilities Needs Assessment Report and Proposed Public Safety & Support Service Facility. Citizens were issued postcard invitations through the mail informing them of the opportunity to give public input. Additionally, information about the Assessment Report was posted to the City's website at [www.leonvalleytexas.gov](http://www.leonvalleytexas.gov). On approximately, a weekly basis, information was also disseminated using the City's weekly ENews which is delivered to subscribers of the City's weekly news and events, by electronic mail. The weekly ENews is also posted to the City's website for non-subscribers to avail themselves of the City's news and events.

The first public workshop was conducted on February 7, 2012 during the City Council's Regular Meeting. The second public workshop was conducted on February 15, 2012 during a Special City Council Meeting conducted specifically for that purpose. The third public workshop was conducted on February 21, 2012 during the City Council's Regular Meeting. Ancillary to the Committee's work have been a series of Open House Tours conducted on February 11, and February 25, and scheduled for March 24, and April 28, in order to educate the public on the growth of the City's public safety services operations.

Starting with the Town Hall Meeting, on January 28, 2012, citizens have had an opportunity to participate in a survey prepared to gauge community interest in a Bond Election related to Proposed Public Safety & Support Facility.

The City Council heard presentations by its financial advisors, First Southwest, at its Special City Council Meeting on February 15, and its Regular City Council Meeting on February 21, regarding current market conditions related to what could be anticipated with the issuance of bonds, if the Bond Election is called and the voters pass the Proposition. The City Council at its Regular City Council Meeting on February 21, also heard a presentation by its bond counsel, Fulbright & Jaworski, L.L.P., regarding the legal requirements related to the conduct of a Special Bond Election, and how the sales of the actual series of bonds would proceed, if authorized by the qualified voters of the City of Leon Valley.

The City Council having had the benefit of receiving public input up to and including updated information on Monday, February 27, 2012, considered and took action by a unanimous vote on Ordinance No. 12-002, calling a Special Bond Election to consider the Proposition of issuing and selling one or more series of general obligation bonds in the aggregate principal amount of not more than \$7,000,000 for the purpose of making permanent public improvements related to a Public Safety and Support Services Complex to house police, fire, municipal court, and City administration service departments.

### **A lion by any other name...**

Last week, it was reported here that the upcoming Los Leones Student Arts Festival is the 17<sup>th</sup> Annual Event; it is actually the 16<sup>th</sup> Annual Event because the Northside School District uses school calendar years to determine dates. Since the event was moved to this Spring based on availability of City facilities,

this year's event is actually the 16<sup>th</sup> Annual Los Leones Student Arts Festival.

When the Leon Valley ENews was published, we could not get confirmation of the correct event year. Since, speaking with the Northside Independent School District Partnership Office, we have confirmed a couple of changes to be noted here:

It is the 16<sup>th</sup> Annual Los Leones Student Arts Festival and the Awards Ceremony takes place at 9:30 a.m.

The event is on Saturday, March 31<sup>st</sup> from 8:30 a.m. to 2 p.m.

Five City of Leon Valley Firefighters participated in this year's Tower Climb and Run. They traveled only about a third of a mile during the event. But they climbed 952 steps (58 stories) from the base of the Tower of the Americas in HemisFair Park to the top.

The event benefited the Lone Star Chapter of the Cystic Fibrosis Foundation. Our five firefighters raised \$425 which does not include the registration fee paid per person. Participants were required to raise at least \$50. We're proud of you!

Leon Valley Firefighters who participated: Luis Valdez, Will Ripps, Kory Paulini, Rick Lopez, and Andy Patterson.

## Los Leones

Each year, student artists, aged from 4 years to 18 years, exhibit and sell their work as well as limited edition prints at the Annual Los Leones Student Art Festival. This is part of a wonderful partnership between Northside Independent School District and the City of Leon Valley.

The free festival, conducted indoors and outdoors, at the Leon Valley Community & Conference Centers, includes dance, choral performances, hands-on art activities, food, sidewalk chalk art, and professional artist demonstrations.

Each year, the event, inspired by former Leon Valley Mayor Marcy Meffert, attracts thousands to the Festival. Los Leones (“The Lions” in Spanish) teaches students about “the business of art,” while also working to establish an active arts community.

All Northside Independent School District high schools, middle schools, and elementary schools participate in Los Leones. Each year, several thousand pieces of quality student artwork are placed on display.

Admission is free. There is also free shuttle bus service continuously available to and from parking at Leon Valley Elementary School, located at 7111 Huebner Road, from 8 a.m. to 2:30 p.m. This year’s event is scheduled on Saturday, March 31<sup>st</sup> from 8:30 a.m. to 2 p.m. Please note that the Awards Ceremony takes place at 9:30 a.m.
