DESCRIBE WORK TO BE DONE:

ATTACH ENGINEERING PLANS AND GIVE COST ESTIMATE OF PROJECT.

* CONTRACTOR'S SIGNATURE

DATE

* CONTRACTOR'S PRINTED NAME

* I, the Contractor, have received Attachment I, "13.08.001 Required; issuance" from the Development Department. I also understand that upon Permit approval, I may proceed with the work listed for the above address conditionally as provided for in the permit. I will notify the Public Works Department 24 hours prior to beginning any work and request an inspection prior to backfill, concrete and final, with minimum 24-hour notice for each. Before starting work, I will conform to the manual on Uniform Traffic Control Devices for Construction Work. (No work to begin until aforementioned is in compliance.) All work is to be done in accordance with City Codes. Permit approval does not confer any property rights.

Permit expires thirty (30) days from issue date. Attach Bond or Cashier's Check, if applicable.
