REGULAR MEETING OF THE CITY OF LEON VALLEY

EARTHWISE LIVING COMMITTEE, 5:30 P.M.

1. Call the City of Leon Valley Regular Earthwise Living Committee Meeting to Order and Determine a Quorum is Present.

The meeting was called to order at 5:33 PM. Present were Committee members Ealy, Hendricks, Key, Seiffert, Burnside, Menard and Mayor Riley. Also present was Staff member Acuna.

2. Review and Consider Approval of the February 7, 2018 and February 28, 2018 Regular Meeting Minutes.

Motion to accept both minutes was made by member Seiffert and seconded by member Hendricks. The motion passed without objection.

3. Discussion Regarding Earthwise Living Day 2018.

Members will send thank you notes to all vendors and member Seiffert will send thank you notes to the teachers. There was a general discussion of the worm vendor, music presentations, door prizes and number of volunteers. Suggestions for 2019 included, a tick board for zip codes instead of a sign up zip code sheet. Member Burnside will tally the zip code list from this year. The four speakers did not work well due to inadequate chairs for participants and speaker locations. One idea was to not have speakers at this event, but to have them on another date. Member Mayor Riley may have a speaker for a climate change presentation. Member Ealy suggested requesting Northside ISD not to have an event on the same day as Earthwise Living Day. She also discussed the bike vendor. It was suggested that all gardening vendors be grouped with the tree give away on the porch. The picnic tables were in a good location on the porch, near the food vendors. It was suggested to only have three food vendors next year. Member Mayor Riley will have the sheets cleaned.

4. Discussion Regarding 4th of July Parade Participation:

Suggestions from members included advertising the event in the SAWS and Leon Valley water bills. The parking and timeline of events was discussed. Member Menard suggested we have children walk with Earthwise Committee and they could hold signs about saving our planet etc. Suggestions for items to give away at the parade, such as fans with a logo or foam sun visors were discussed. Staff member Acuna will price some items. Funds from Earthwise Living Day could be used to purchase a new Earthwise Living banner and give away items for the parade.

5. Discussion and Consider Approval of a Date for Earthwise Living 2019:

All members agreed that the 2019 event will be held on Saturday, March 2, 2019 from 9:30AM-1:30pm.
