

PUBLIC NOTICE
CITY OF LEON VALLEY WATER AND SEWER SYSTEM
DECLARATION OF INTENT TO CHANGE WASTEWATER RATES

The City Council of Leon Valley announces its intention to adopt an ordinance that would increase certain water and wastewater charges. The Council will consider this ordinance at the Council meeting of August 16, 2011. The new charges will go into effect with the bills sent out November 15, 2011. Those residents of Leon Valley that are provided water service from the San Antonio Water System (SAWS) will see the wastewater component of their bill from SAWS be increased similarly.

For more information on this proposed change in rates or for assistance in estimating your charges, call Water Services and Water Billing at 684-1391 x224.
