United States®
Census
2020

Every Ten Years, the United States Census Bureau conducts the Census Complete Count on all national and local levels. Census Day is April 1st, 2020!

“The Census has been a cornerstone of our democracy since the first national count in 1790 (U.S. Constitution, Article 1, Section 2). The count is mandated by the Constitution and conducted by the U.S. Census Bureau, a nonpartisan government agency.

The 2020 Census counts the population in all 50 states, the District of Columbia, and five U.S. territories (Puerto Rico, American Samoa, the Commonwealth of the Northern Mariana Islands, Guam, and the U.S. Virgin Islands).”

Each home will receive an invitation to respond to a short questionnaire—online, by phone, or by mail. This will mark the first time that you will be able to respond to the census online.
