Dear Earthwise Living Supporter:

The Leon Valley Earthwise Living Committee would like to invite your company to be a sponsor at the 36th *Annual Leon Valley Earthwise Living Day*, to be held **Saturday, March 7, 2026**, from 9:00 a.m. to 1:00 p.m.

Earthwise Living Day is a popular, **free**, and educational family event that takes place rain or shine, at the Leon Community and Conference Center Events Complex, located at 6427 Evers Rd. Leon Valley, Texas. ***Earthwise Living Day*** is the longest running annual environmental event in Bexar County (est. 1989). It is a day dedicated to teaching the public of the importance of living in an Earth friendly way through recycling, energy efficiency and the protection of our natural resources, such as air, water, and soil. There will be Earth friendly exhibits and vendors along with food and music for the entire family.

We could not continue to keep this popular and family-friendly event free of an admission charge, if it were not for the support, we receive from partners like you. We very much hope that you will partner with us to sponsor this year's program at one of the following budget-friendly levels:

- **The Texas Pecan: Event Sponsor** (\$5,000.00 cash sponsorship) – includes priority complimentary booth(s) location, logo placed on website/flyers/media outlets, prime placement of company banner during event.
- **The Mighty Oak: Event Sponsor** (\$2,500.00 cash sponsorship) – includes priority complimentary booth(s) location, logo placed on website/flyers/media outlets, prime placement of company banner during event.

GUIDELINES FOR SPONSOR BOOTH PARTICIPATION

Our Goal is to present exhibitors who demonstrate their participation in *Earthwise Living* by RETHINKING how to **REDUCE, REUSE, and RECYCLE** daily. There should be a direct reflection of this theme in your booths, handouts, etc.

Theme: Earthwise Living Every Day – Eco-friendly choices part of daily life.

It would be ideal if:

- Handouts are printed on recycled paper with soy ink if possible and promote our goals.
