

City of Leon Valley

Rain Barrel Rebate Program Requirements and Application

Requirements:

- Rebate is only available to active City of Leon Valley residential utility customers.
- Customer must be in good standing and not past due on their water bill.
- Rain Barrel must be installed at the utility account address listed on the application and shall remain at that address for a minimum of one (1) year.
- The rain barrel must be a new, finished rain barrel sold solely for the purpose of collecting rainwater.
- A copy of the dated and itemized purchase receipt must accompany the completed application.
- Rebate application and receipt copy must be submitted within thirty (30) days of purchase.
- Rebate will be credited to the customer's account at the next billing cycle after submission of application and receipt.
- Rain barrel may be purchased at any retail location.
- Rain barrel must be installed and inspected by Water Department staff prior to credit being applied to account.
- Visit www.leonvalleytexas.gov for information on plumbing codes regarding rain barrels.
- One (1) rain barrel rebate per household will be allowed.
- **Only one (1) \$40 credit will be issued per utility account.**

Application Procedure:

1. Purchase and install rain barrel.
2. Submit application and copy of itemized receipt within thirty (30) days of purchase to:

City of Leon Valley
Attn: Yvonne Acuna
6400 El Verde Rd.
Leon Valley, TX 78238

Or email to: y.acuna@leonvalleytexas.gov

3. You will be contacted to set up a rain barrel inspection date.

Contact Yvonne Acuna at 210-684-1391 ext. 224 or email y.acuna@leonvalleytexas.gov for questions.
