

City of Leon Valley – 2026 Household Hazardous Waste Collection Event

Request for Cost Proposal

The City of Leon Valley is seeking cost estimates from certified and licensed Household Hazardous Waste Collection Firms to host a HHW event on **Saturday, October 3, 2026**. The event will be scheduled from 9:00 a.m. to 12:00 p.m. at the Public Works Department located at 6429 Evers Rd., Leon Valley, Texas 78240.

The event will target a maximum of 300 - 350 participants. Waste categories are: aerosols, alkaline batteries, antifreeze, batteries – lead acid, corrosives, fire extinguishers, flammables, fluorescent bulbs, freon, latex paint, lithium batteries, mercury, motor oil, Ni-Caad batteries, oil base paint, oil filters, oxidizers, poison liquids, poison solids, propane – small, propane – bbq, reactives, various labpacks.

No electronics.

Contractor will provide all supplies and equipment necessary.

Contractor must submit and secure the required Texas Commission on Environmental Quality permit, in advance of the October 3rd event.

If you are interested in more information, or have any questions, please feel free to contact Mr. David Dimaline, Public Works Director; or Mr. Jesse Serna, Public Works Assistant Director at 210-681-1232.

Please email your cost estimate to d.dimaline@leonvalleytexas.gov, by **5:00 p.m. on Thursday, August 6, 2026**.
